(Agenda dated June 5, 1952)

THE SITUATION IN THE FAR EAST

For discussion of the subject in the light of an oral briefing by the Chairman, Joint Chiefs of Staff, on the military situation in Korea. Scheduled as item 1.

UNITED STATES POLICY AND COURSES OF ACTION TO COUNTER POSSIBLE SOVIET OR SATELLITE ACTION AGAINST BERLIN

(NSC 132; SE-30; NSC Action Nos. 645 and 84-b; NSC 24/3; NSC 73/4, pars. 37-c and 42; NSC 89; Memo for NSC from Executive Secretary, subject, "Additional Airlift to Support the Far East", dated September 27, 1950; Memos for NSC from Executive Secretary, same subject, dated June 6 and June 10, 1952; Memo for NSC from Executive Secretary, subject, "The Berlin Stockpile Situation and An Analysis of Airlift Capabilities, dated June 6, 1952)

At its 69th meeting the Council noted the reference memo of September 27, 1950, and the fact that the situation presented therein would be taken into consideration in studies on the Berlin blockade referred to in paragraph 42 of NSC 73/4. Memoranda on "United States Policy with Respect to Berlin and Eastern Germany" by the Deputy Under Secretary of State and the Secretary of Defense were circulated for Council information as NSC 89, and referred to the NSC Staff for use in connection with this project.

The Council at its meeting on May 28, 1952, noted the report by the Acting Secretary of State of steps with respect to the situation in Berlin which are now being studied by the departments concerned, within existing policy, pending early Council consideration of the report on the subject being prepared by the Senior NSC Staff (NSC Action No. 645).

Draft report on the subject, prepared by the NSC Staff, was submitted as NSC 132 for the consideration of the Council. Staff study on "The Berlin Stockpile Situation and An Analysis of Airlift Capabilities", prepared at the request of the Senior NSC Staff in the Departments of State and Defense, was transmitted by the reference memorandum of June 6 on the same subject for the background information of the Council in connection with its consideration of NSC 132. At the request of the Secretary of Defense, the views of the Joint Chiefs of Staff with respect to NSC 132 were circulated for the information of the Council by the reference memo of June 6 on the subject. Revisions proposed by the Senior Staff in NSC 132 are being transmitted by the reference memo of June 10 for the consideration of the NSC. Scheduled for consideration as item 2.

3. CURRENT NSC STAFF PROJECTS

A. SENIOR NSC STAFF

CONDITIONS FOR A PEACEFUL SETTLEMENT WITH THE USSR /PRIORITY PROJECT/

(Records of Senior NSC Staff Meetings February 23 and May 24, 1951; NSC 79; NSC 112; NSC Action No. 511; Memo for NSC from Executive Secretary, subject: "United States and Allied Objectives in the Event of Global War", dated September 6, 1950)

On February 23, 1951, the Senior NSC Staff agreed that the NSC 79 project on United States and allied war objectives should be completed in two sections and that the Section on the above subject, including a plan for reduction and regulation of armaments and armed forces, should be completed as a matter of priority. On May 24 the Senior Staff agreed that the completion of this project would provide an important background for obtaining popular support for U. S. national security policies.

Report by the Secretaries of State and Defense in connection with the plan referred to above, adopted by the Council (NSC Action No. 511) and approved by the President as NSC 112. On July 10, the Senior NSC Staff noted that NSC 112 was the first step toward completion of this project and that further work would proceed in the light of Council action on NSC 112. Awaiting re-examination by the Senior State Member of this project and the one below, with a view to expediting their completion or proposing their cancellation.

UNITED STATES AND ALLIED WAR OBJECTIVES IN THE EVENT OF GLOBAL WAR

(NSC 79; Memo for NSC from Executive Secretary, same subject, dated September 6, 1950)

JCS memo (NSC 79) circulated for Council information and referred to the Staff for use in the preparation of a report. The Senior Staff designated an ad hoc group to draft a report

CURRENT NSC STAFF PROJECTS (Cont'd)

UNITED STATES AND ALLIED WAR OBJECTIVES IN THE EVENT OF GLOBAL WAR (Cont'd)

to include both a statement of war objectives in the event of global war, and such related questions as a statement of the conditions that the U. S. would be willing to accept for a peaceful settlement with the USSR and its satellites. At the initial meeting of the ad hoc group under the chairmanship of the State Member on October 6, 1950, the form and content of a response to the problems posed by NSC 79 were discussed and agreed upon.

On February 23, 1951, the Senior Staff agreed that this project should be divided as follows: (1) a statement of U. S. and allied war objectives in the event of a global war; and (2) a statement of the conditions the U. S. would be willing to accept for a peaceful settlement with the USSR, including a plan for the reduction and regulation of armaments and armed forces. Awaiting re-examination by the Senior State Member of this project and the one above, with a view to expediting their completion or proposing their cancellation.

UNITED STATES OBJECTIVES AND PROGRAMS FOR NATIONAL SECURITY
(NSC 68 Series; NSC 114 Series; NSC Action No. 575; Memos for Senior NSC Staff, from Executive Secretary, same subject, dated November 6, 1951 and March 11, 1952.)

The Council on October 17 (NSC Action No. 575-g), directed the Senior NSC Staff to submit for Council consideration at the earliest practicable date a reappraisal of the policies and programs set forth in the NSC 68 and 114 Series, including a revision of Part I of NSC 114/2 and in the light of: (1) Further analysis of Soviet atomic capabilities as indicated by the recent explosion of another atomic bomb in the USSR; and (2) the current evaluation of the net capability of the USSR to injure the continental United States (see Section 4). At its meeting on October 24, the Senior NSC Staff noted the statement by the Executive Secretary that the Senior State Member had agreed to prepare a draft of the political and foreign policy considerations to be included in the reappraisal of the NSC 68 and 114 Series; and that the Senior Defense, JCS and CIA Members would prepare a revision of the portions of Part I of NSC 114/2 relating to military capabilities, in the light of the two factors mentioned above.

At the request of the Director, Psychological Strategy Board, paragraphs on "Psychological Strategy in the Ensuing Years", prepared by the Staff of the PSB, were circulated by the reference memo of November 6 for the information of the Senior Staff, and were referred to the Senior State Member for consideration in connection with his preparation of the draft of

the political and foreign policy considerations to be included in the reappraisal of the NSC 68 and 114 Series.

Outline of anticipated activity by the NSC over the balance of the calendar year with respect to U. S. objectives and programs for national security was transmitted by the reference memo of March 11 for the information of the Senior Staff. The Senior Staff at its meeting on March 13, agreed that the reappraisal of policies called for by NSC Action No. 575-c should be considered by the Senior Staff not later than April 1, and by the Council not later than April 16. Awaiting preparation of a draft report by the Steering Committee on the NSC 68 and 114 Series.

UNITED STATES OBJECTIVES AND COURSES OF ACTION WITH RESPECT TO
COMMUNIST AGGRESSION IN SOUTHEAST ASIA

(NSC 124 and Annex to NSC 124; NSC Action Nos. 597 and 614; Memos for NSC from Executive Secretary, same subject, dated March 4, April 15, April 30, and May 21, 1952; SE-22; NSC 48/5; NSC 64; Memos for Senior NSC Staff from Executive Secretary, same subject, dated March 11 and April 30, 1952; Record of Meeting of the Senior NSC Staff on March 13, 1952)

The Council on December 19, 1951 discussed the situation in Indochina in the light of recurring rumors of impending Chinese Communist intervention, and at the suggestion of the Secretary of State, directed the Senior NSC Staff to expedite the report on U. S. policy toward Southeast Asia, with particular reference to possible courses of action regarding Indochina (NSC Action No. 597-b). Draft report on the subject, prepared by the NSC Staff in accordance with NSC Action No. 597-b, was submitted as NSC 124 and Annex to NSC 124 for consideration by the NSC.

The Council at its meeting on March 5, 1952 (NSC Action No. 614): (a) directed the NSC Staff to prepare an agreed set of assumptions, along the lines suggested by the Secretary of State as a basis for further studies by the Department of State and the Joint Chiefs of Staff, respectively, of diplomatic and military courses of action to counter identifiable Communist aggression in Southeast Asia; (b) referred NSC 124 to the NSC Staff for reconsideration in the light of the above studies; and (c) directed the NSC Staff to prepare for Council consideration a report on U. S. courses of action in Southeast Asia to counter continued deterioration of the existing situation in the absence of identifiable Communist aggression.

CURRENT NSC STAFF PROJECTS (Cont'd)

UNITED STATES OBJECTIVES AND COURSES OF ACTION WITH RESPECT TO
COMMUNIST AGGRESSION IN SOUTHEAST ASIA (Cont'd)

Assumptions proposed by the Secretary of State on the subject circulated to the Senior Staff on March 5. The Senior Staff at its meeting on March 6, discussed the procedure for further work on the project by the NSC Staff, and agreed that: (a) the Steering Committee on NSC 124 should prepare draft assumptions on the subject for Senior Staff consideration with a view to preparation of the set of agreed assumptions called for by NSC Action No. 614-a; and (b) the Steering Committee, pursuant to NSC Action No. 614-c, should prepare for Senior Staff consideration a draft report on U. S. courses of action in Southeast Asia to counter continued deterioration of the existing situation in the absence of identifiable Communist aggression.

The Senior Staff on March 13 considered and amended the draft paper attached to the reference memo of March 11 and approved the amended version (attached to the reference record of meeting) as a basis for further studies by State and JCS respectively, of diplomatic and military courses of action to counter identifiable Communist aggression in Southeast Asia. The paper, as approved, subsequently transmitted to the Secretaries of State and Defense for appropriate action.

Memoranda by the Joint Chiefs of Staff and the Department of State, prepared in response to NSC Action No. 614-a on the basis of the assumptions developed by the Senior NSC Staff, were transmitted by the reference memos of April 15 and April 30 respectively, for the information of the NSC and have been referred to the NSC Staff for use in connection with its reconsideration of NSC 124. Draft report prepared by State in response to NSC Action No. 614-c, was transmitted by the reference memo of April 30 for the consideration of the Senior Staff. At the request of the Secretary of Defense, a study by the Joint Chiefs of Staff which sets forth a United States military position toward the Indonesian Island Chain, was transmitted by the reference memo of May 21 for the information of the NSC and referred to the NSC Staff for use in connection with its reconsideration of NSC 124 pursuant to NSC Action No. 614. Awaiting preparation of a draft report by the Steering Committee on NSC 124.

UNITED STATES OBJECTIVES AND COURSES OF ACTION IN KOREA
(NSC 118/2; Memo for NSC from Executive Secretary, same subject, dated December 18, 1951; NIE-55; SE-20; NSC Action No. 595)

The Council in adopting NSC 118/1 as amended (subsequently issued as NSC 118/2), referred the alternative versions of

subparagraph 2-b-(6) to the Senior NSC Staff for review in the light of an analysis of the traffic in and out of Communist China and the probable effectiveness of an embargo or blockade (NSC Action No. 595-a-(4)). Awaiting preparation of a draft report by the Steering Committee on this project.

SECURITY OF STRATEGICALLY IMPORTANT INDUSTRIAL OPERATIONS IN FOREIGN COUNTRIES

(Progress Report, dated July 24, 1951 by the Department of State on NSC 29; NSC Action Nos. 531 and 610; Memo for Senior NSC Staff from Executive Secretary, same subject, dated April 21, 1952)

By NSC Action No. 531 the Council referred the reference Progress Report to the Senior NSC Staff for recommendations regarding the desirability of a revision of the list of operations contained therein and the frequency of future progress reports by the Department of State. On September 27, in connection with a review of the NSC Status of Projects, the Senior Staff agreed that the State Department, with the assistance of a sub-committee composed of representatives from Defense, NSRB, ODM, and CIA, would assume responsibility for the preparation of a draft report pursuant to NSC Action No. 531. Memorandum from the Office of the Secretary of Defense dated October 2, 1951, which advised that recommendations by the Munitions Board for revision of the list of strategically important industrial operations would be submitted by December 15, 1951, was transmitted to the Senior State member of the NSC Staff for his information and use in connection with this project. The Senior Staff on March 13, in connection with a review of the Status of Projects, agreed that in view of the actions now under way, no further recommendations to the Council are needed and that the Senior State member should prepare for Senior Staff consideration, a draft memorandum to the Council reflecting this conclusion.

The Senior Staff at its meeting on April 24, considered the interim report on the subject, prepared in State and transmitted by the reference memo, and deferred further action on the subject pending study by interested departments and agencies of a forthcoming report by a task group of the Special Interagency Committee on Foreign Sources of Critical Materials. Awaiting study by the departments and agencies concerned as indicated above.

CURRENT NSC STAFF PROJECTS (Cont'd)RELATIVE COST OF ENSURING AVAILABILITY OF CERTAIN MIDDLE EAST OIL FACILITIES OR OF OFFSETTING THEIR LOSS

(Record of meeting of Senior NSC Staff on November 27, 1951; NSC 97/2; NSC 129/1)

The Senior NSC Staff at its meeting on November 27, agreed that, in connection with but not necessarily as a part of the Mediterranean and Middle East project (see NSC 129/1 and project on Iran below), the Department of Defense should prepare a study of the cost of the military effort in terms of feasibility, time and material, and the forces required to ensure the continued availability of oil from the Bahrein-Qatar-Saudi Arabia area, and the Office of Defense Mobilization should prepare a study of the economic cost in terms of feasibility, time and material required to offset the loss of oil from that area. Awaiting preparation of draft report by the Steering Committee on NSC 97.

ORGANIZED AND COORDINATED PROGRAM OF PRECLUSIVE BUYING

(Memo for NSC from Acting Executive Secretary, same subject, dated February 11, 1952; Memo for Senior NSC Staff from Executive Secretary, same subject, dated June 5, 1952; NSC 104/2, paragraphs 11 and 12; Memos for NSC from Executive Secretary, subject, "Assignment of Responsibilities for Economic Defense", dated November 7, 1951 and January 25, 1952; NSC Action No. 126)

Memorandum by the Chairman, NSRB, and its attached draft analysis on the subject were circulated by the reference memo of February 11 for the information of the Council, the Secretaries of the Treasury and Commerce, the Director of Defense Mobilization and the Director, Bureau of the Budget. The memorandum and its attached draft analysis were referred to the Senior NSC Staff for use in the preparation of appropriate recommendations for Council consideration. The Senior Staff, at its meeting on February 28, agreed that studies along the lines of those listed in the enclosure to the reference memo of February 11 should be prepared within 30 days, as a basis for Senior Staff consideration of the desirability and feasibility of the initiation of a preclusive buying program. The Senior Staff referred the preparation of such studies to the Mutual Trade Security Advisory Committee (augmented for this purpose by the participation of NSRB) for appropriate coordination in accordance with the "Memorandum of Agreement" attached to the reference memorandum of January 25. (Note: the name of this committee was subsequently changed to the "Economic Defense Advisory Committee.")

Memo by the Senior State Member, prepared as a response to the agreement by the Senior Staff at its meeting on February 28 and incorporating the conclusions and recommendations on the subject prepared under the auspices of the Economic Defense Advisory Committee (augmented for this purpose by the participation of NSRB), was transmitted by the reference memo of June 5 for the consideration of the Senior Staff. Scheduled for consideration by the Senior Staff at its meeting on June 12.

UNITED STATES POSITION WITH RESPECT TO JAPAN
(NSC 125; NSC 48/5; NSC 60/1)

At the direction of the President, a memorandum from the President to the Acting Secretary of State and the Secretary of Defense on "Interim Policy with Respect to Japan", and its attachments, consisting of a memorandum to the President from the Acting Secretary of State and the Secretary of Defense on the same subject, an "Interim Policy with Respect to Japan", and an "Interim Directive to the Commander-in-Chief, Far East, Concerning the Joint Committee Provided in the Administrative Agreement With Japan", were transmitted as NSC 125 for the information of the NSC. Pursuant to the President's request, NSC 125 was referred to the Senior NSC Staff for its information and use in the preparation of a report on Japan for Council consideration. Awaiting State-Defense draft.

THE POSITION OF THE UNITED STATES WITH RESPECT TO IRAN
(NSC 117; NSC 107/2; NSC 129/1; Memos for Senior NSC Staff from Executive Secretary, subject, "United States Objectives and Policies with Respect to the Area of the Arab States, Iran and Israel During the Period of the Cold War", dated February 27 and March 4, 1952)

Memorandum from the Joint Chiefs of Staff on "The Anglo-Iranian Problem", was submitted to the Council at the request of the Secretary of Defense as NSC 117. At its meeting on November 20, the Senior Staff agreed that NSC 117 should be listed in the Status of Projects as a reference in connection with the project on the Eastern Mediterranean and Middle East, rather than as a separate item. Subsequently the subject of the latter project was changed from the "Eastern Mediterranean and the Middle East" to "The Area of the Arab States, Iran and Israel."
